BAHRIA ORCHARDS
PHASE VIII

This detailed site plan for Bahria Orchards Phase VIII illustrates a large-scale residential development. The plan is characterized by a complex network of roads, including a prominent 120' Wide Road on the left and an 80' Wide Road at the top. Residential plots are arranged in a grid-like pattern, with some areas designated as 'RESERVED PLOTS - 142'. The plan also features several parks and green spaces, including a large 'Reserve 30.29 K' in the bottom left and several smaller parks labeled 'PARK 19.03 K', 'PARK 18.27 K', 'PARK 30.03 K', 'PARK 12.75 K', and 'PARK 21.40 K'. Infrastructure elements such as 'ARC-AD-01' through 'ARC-AD-05' and 'HT Line' are clearly marked. The plan uses various colors to delineate different zones: red for roads and boundaries, green for parks, and yellow for specific plot areas. A north arrow is located in the upper right quadrant. The overall layout suggests a well-planned, organized residential community.
